

Curriculum Vitae

Name: **Konstantin A. Makarov**

Address: Department of Mathematics, University of Missouri Columbia, MO 65211

E-Mail: makarov@math.missouri.edu

Phone: 573-884-0617

Fax: 573-882-1869

EDUCATION

Student of the Department of Higher Mathematics and Mathematical Physics, Faculty of Physics, Leningrad State University, USSR, 1974–1980

Diploma in Mathematical Physics, 1980

Ph.D. 1985, in Theoretical and Mathematical Physics

Ph.D. Thesis: “Mathematical foundation of the discrete orientation model”

Ph.D. Advisor: B.S. Pavlov (Leningrad State University, USSR)

FIELDS OF SPECIALIZATION

Mathematical Physics, Spectral Theory, Differential Equations, Operator Algebras

POSITIONS HELD

Assistant Professor at the State University of Leningrad, USSR, February 1980 to October 1984.

Research Associate at the Institute for Physics of the State University of Leningrad, USSR, November 1984 to August 1986.

Assistant Professor at the State University of Leningrad, USSR, September 1986 to October 1990.

Associate Professor at the State University of Leningrad, USSR /St. Petersburg, Russia, November 1990 to August 1997.

Assistant Professor of Mathematics at the University of Missouri, Columbia, MO 65211, USA, September 1997 to August 2000.

Associate Professor of Mathematics at the University of Missouri, Columbia, MO 65211, USA, September 2000 to August 2003.

Professor of Mathematics at the University of Missouri, Columbia, MO 65211, USA, since September 2003.
